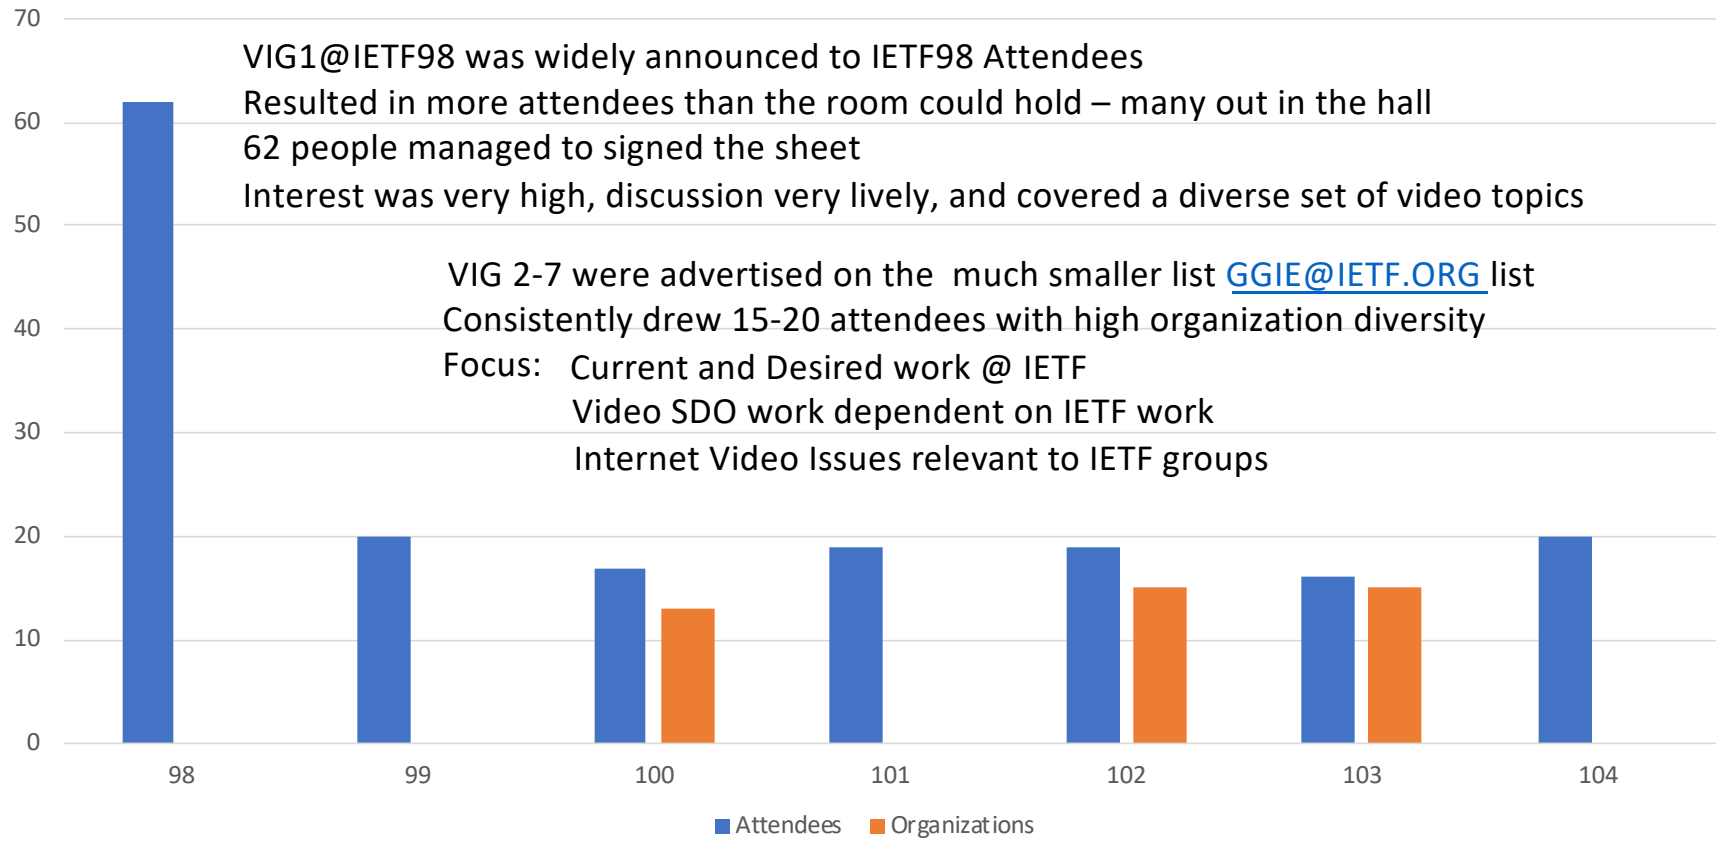
Video Interest Group side meetings @ IETF98-104



VIG1@IETF98 was widely announced to IETF98 Attendees
Resulted in more attendees than the room could hold – many out in the hall
62 people managed to signed the sheet
Interest was very high, discussion very lively, and covered a diverse set of video topics

VIG 2-7 were advertised on the much smaller list GGIE@IETF.ORG list
Consistently drew 15-20 attendees with high organization diversity
Focus: Current and Desired work @ IETF
Video SDO work dependent on IETF work
Internet Video Issues relevant to IETF groups
