## **IAB Charter Update for RFC Editor Model**

### **Abstract**

This document updates the IAB Charter (RFC 2850) to be consistent with the new model for the RFC Editor (draft-iab-rfcedfp-rfced-model).

### **Status of This Memo**

This Internet-Draft is submitted in full conformance with the provisions of BCP 78 and BCP 79.

Internet-Drafts are working documents of the Internet Engineering Task Force (IETF). Note that other groups may also distribute working documents as Internet-Drafts. The list of current Internet-Drafts is at <https://datatracker.ietf.org/drafts/current/>.

Internet-Drafts are draft documents valid for a maximum of six months and may be updated, replaced, or obsoleted by other documents at any time. It is inappropriate to use Internet-Drafts as reference material or to cite them other than as "work in progress."

This Internet-Draft will expire on 13 March 2022.

### 1. Introduction

In the RFC Editor model defined by [[I-D.iab-rfcedfp-rfced-model](#)], the RFC Series is now governed by its own mechanisms. This requires a modification to the Internet Architecture Board charter [[RFC2850](#)].

Note that RFC 2850 states that the RFC Editor appoints a liaison member to the IAB. This does not change.

### 2. Changed Text

In Section 2 of RFC 2850, entitled "The Role of the IAB", under the sub-heading "(b) RFC Series and IANA", the following sentence:

The IAB must approve the appointment of an organization to act as RFC Editor and the general policy followed by the RFC Editor.

is replaced by:

The RFC Editor model is defined by [[I-D.iab-rfcedfp-rfced-model](#)].

### 3. IANA Considerations

This document makes no request of IANA.

### 4. Security Considerations

This document should not affect the security of the Internet.

### 5. Acknowledgements

Useful comments were received from [TBD] ...
