Intended status: Best Current Practice	September 25, 2018
Expires: March 29, 2019	

Update to the IETF Anti-Harassment Procedures for the Replacement of the
IAOC With the IETF Administration LLC
[draft-ietf-iasa2-rfc7776bis-00](#)

Abstract

The IETF Anti-Harassment Procedures are described in [RFC 7776](#).

The IETF Administrative Oversight Committee (IAOC) has been replaced by the IETF Administration LLC. This document updates [RFC 7776](#) to replace all mention of the IAOC with reference to the IETF Administration LLC.

Status of This Memo

This Internet-Draft is submitted in full conformance with the provisions of [BCP 78](#) and [BCP 79](#).

Internet-Drafts are working documents of the Internet Engineering Task Force (IETF). Note that other groups may also distribute working documents as Internet-Drafts. The list of current Internet-Drafts is at <https://datatracker.ietf.org/drafts/current/>.

Internet-Drafts are draft documents valid for a maximum of six months and may be updated, replaced, or obsoleted by other documents at any time. It is inappropriate to use Internet-Drafts as reference material or to cite them other than as "work in progress."

This Internet-Draft will expire on March 29, 2019.

[1.](#) Introduction

The IETF Anti-Harassment Procedures are described in [RFC 7776](#) [[RFC7776](#)]. Those procedures include direction for the IETF Chair and Ombudsteam to take advice from the IETF Administrative Oversight Committee (IAOC) with respect to the budget available for training.

The IAOC has been replaced by the IETF Administration LLC. This document updates [RFC 7776](#) to replace all mention of the IAOC with reference to the IETF Administration LLC.

This document makes no other changes to the procedures described in [RFC 7776](#).

[2.](#) Changes to [RFC 7776](#)

[Section 3.4 of RFC 7776](#) [[RFC7776](#)] is about Qualifications and Training. The last paragraph of that section is replaced as follows:

OLD

In determining the appropriate training, the IETF Chair and Ombudsteam shall take professional advice and will consult with the IETF Administrative Oversight Committee (IAOC) with respect to the overall IETF budget.

NEW

In determining the appropriate training, the IETF Chair and Ombudsteam shall take professional advice and will consult with the IETF Administration LLC with respect to the overall IETF budget.

3. IANA Considerations

This document makes no request for IANA action.

4. Security Considerations

This document has no implications for Internet security.

5. Normative References
