Working Group Chairs – Involvement with IANA Services

Agenda:

1) Review of where Working Group Chairs are involved with IANA Services

2) Where you can find information to help you do your job as it relates to IANA registries

Working Group Chairs – Involvement with IANA Services

Early Review of I-Ds

- At any time you or the document authors can request an early review of the document

- Early review helps minimize questions during later review steps

Working Group Chairs – Involvement with IANA Services

Early Allocation of code points

- RFC 7120
  - Conditions for Early Allocation - Section 2

  - Process for Early Allocation – Section 3.1

    Authors send request to the WG Chair
    WG Chair obtains approval from AD
    WG Chair sends request to IANA Services

Working Group Chairs – Involvement with IANA Services

IETF Last Call Review

- Documents are officially reviewed for IANA Actions

- If the requested actions are not clear, questions are asked

- WG Chairs are copied on these communications to the authors

Working Group Chairs – Involvement with IANA Services

IESG Evaluation Reviews

- Documents go through a final review to make sure all questions have been answered and there are no outstanding issues related to IANA Actions

- If there are still issues that need to be resolved, you may be copied on the emails

- States in datatracker show if there are issues

Working Group Chairs – Involvement with IANA Services

Approvals

- Copied on communications with the authors

- If there are any questions during the implementation of the actions, your help my be solicited

Working Group Chairs – Involvement with IANA Services

AUTH 48

- Not often, but sometimes there are changes required during AUTH 48 that will require the WG Chair and AD to approve changes. WG Chairs are copied on communications with the authors.

Working Group Chairs – Involvement with IANA Services

Issues with existing registries

- Changing of format
- Reorganization
- Location/nesting
- Does it still need to be an open registry?
- Helping Area Directors find experts

Places to go for help

RFC 8126
- ⊙ Accompanying help page available at:
https://www.iana.org/help/protocol-registration
- ⊙ Additional help pages will be added in the future

Feel free to email us any time with questions
- ⊙ iana@iana.org

Visit us at our office hours desk at every IETF meeting

Invite us to come to your working group if there is IANA actions being discussed

Thank You!
