

The logo features a central rectangular frame with a double-line border. Inside the frame, the text "IETF® 1100100" is displayed in a bold, dark blue, sans-serif font. Above and below the frame are two identical diamond-shaped structures, each composed of three parallel, dark blue diagonal bars that meet at the top and bottom vertices.

FIRST IETF

IETF 13 Cocoa Beach,
April 1989

“people working
together on a
common goal”

“general feeling
of collaboration
for the greater
good”

“essential people
... doing the right
thing”

“commitment of
its people to
help the Internet
grow”

The logo features a dark blue diamond shape at the top and bottom, each composed of three parallel diagonal lines. A dark blue rectangular frame surrounds the central text. The text "IETF" is in a bold, sans-serif font, followed by a registered trademark symbol (®), and then the number "1100100" in a similar font.

Agenda

- Welcome
- Host presentation
- Brief updates on hot topics
 - IETF/IESG
 - Administrative topics
 - NomCom
- Preview of IETF 101

Agenda

- Recognition
- Jonathan B. Postel Award
- Technical Plenary – “The Internet, a look forward: Social, political, and technical perspectives”
- IAB, IAOC, and IESG open mic sessions

Thank you to our host!

Host presentation

David Ward

IETF/IESG Hot Topics

Alissa Cooper

IETF/IESG Hot Topics

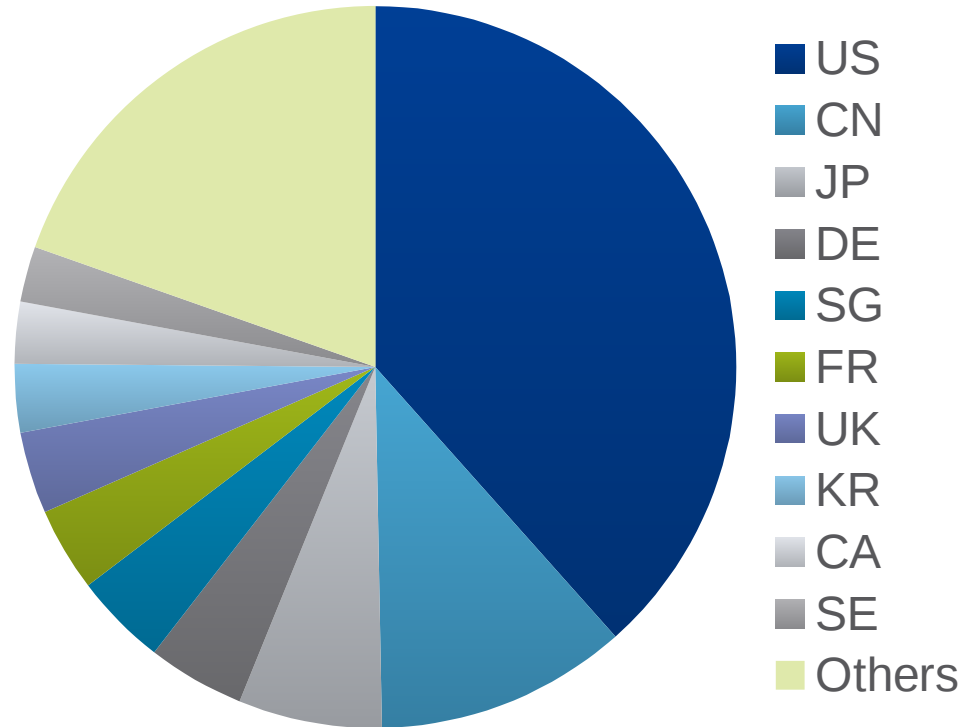

- IETF 100 participant statistics
- Requests to the community
- Side meetings and code lounge
- IASA 2.0
- IETF web site revamp

IETF 100 participant statistics

- 1011 people on site
 - 142 1st time attendees
 - IETF 97 had 1042
- 55 countries
 - IETF 97 was 53 countries

IETF 97 was in Seoul, South Korea

Nominate AOG candidates. IESG requests to the community

- Send name, email, qualifications to iesg@ietf.org
- Deadline: November 17 (end of this week)
- Send us your input about our expectations regarding new work proposals.
 - Earlier notice and more attention to specific work products.
 - <https://mailarchive.ietf.org/arch/msg/ietf/orzFAklApVtBSlgK8LBb4Gc-OZY>

IAB requests to the community

- Volunteer for the ICANN Technical Liaison Group.
 - Send email to iab-chair@iab.org and execd@iab.org with your motivation and information concerning your familiarity with the IETF, ICANN and other SDOs on the TLG
 - Deadline: November 29
- Nominate candidates to join the ISOC Board of Trustees.
 - Send nominations to execd@iab.org.
 - Deadline: January 9

IETF®

Side meetings and code lounge

Side meetings, adjusted experiment that began at IETF 99 based on community feedback.

- Large and small rooms bookable in advance. Both with projectors. Sign-up for meal slots is on-site only.
- Reminder about IETF Meeting Rooms Policy.
- Code Lounge: portion of IETF lounge set aside for WG chairs to reserve for coding sessions.
- Feedback welcome!

IASA 2.0

- Discussion about re-factoring IETF administrative arrangements.
- Design team doc:
<https://tools.ietf.org/html/draft-haberman-iasa20dt-recs-01>
- BoF yesterday
 - Considered work of DT
 - Narrowed list of structural options
 - Identified areas to flesh out further together with ISOC
- Join the discussion at <https://www.ietf.org/mailman/listinfo/iasa20>

Scope of Work: IETF web site revamp

<https://iaoc.ietf.org/documents/IETF-Website-SOW-20140604-Final.pdf>

- Fine tuning now, moving to production after IETF 100.
 - Visit <https://beta.ietf.org>
 - File issues at <https://github.com/ietf/www.ietf.org/issues> or send via email to webmaster@ietf.org
 - Visit the table near IETF registration.

Recent IAB appointments

- Independent Series Editor (ISE): Adrian Farrell
- RFC Series Editor (RSE): Heather Flanagan

Topics covered online

- Currently running experiments
- Appeals (0)
- Status update on DMARC and IETF mailing lists
- And more, plus reports from IAB, IAOC, RFC Editor, Secretariat, IANA, NOC, and Hackathon:
<https://datatracker.ietf.org/meeting/100/materials.html>
- IETF Blog: <https://www.ietf.org/blog/>
