

Fee Extension

- Revision 9 (scheme 0.25) minor edits to clarify implementation questions
- Looking to go to WGLC

Validate

- Revision 2 posted in August
- Only a handful of questions/comments
- Looking for implementers

Registry Mapping

- Current version: https://www.verisign.com/assets/epp-sdk/verisign_epp-extension_registry_v01.html
- Will be moving this to internet draft
- Need/Reasoning
- Base Object
- Extensions and Policy Extensions
