Note Well

This is a reminder of IETF policies in effect on various topics such as patents or code of conduct. It is only meant to point you in the right direction. Exceptions may apply. The IETF's patent policy and the definition of an IETF "contribution" and "participation" are set forth in BCP 79; please read it carefully.

As a reminder:

By participating in the IETF, you agree to follow IETF processes and policies.
- If you are aware that any IETF contribution is covered by patents or patent applications that are owned or controlled by you or your sponsor, you must disclose that fact, or not participate in the discussion.
- As a participant in or attendee to any IETF activity you acknowledge that written, audio, video, and photographic records of meetings may be made public.
- Personal information that you provide to IETF will be handled in accordance with the IETF Privacy Statement.
- As a participant or attendee, you agree to work respectfully with other participants; please contact the ombudsteam (https://www.ietf.org/contact/ombudsteam/) if you have questions or concerns about this.

Definitive information is in the documents listed below and other IETF BCPs. For advice, please talk to WG chairs or ADs:

- **BCP 9** (Internet Standards Process)
- **BCP 25** (Working Group processes)
- **BCP 25** (Anti-Harassment Procedures)
- **BCP 54** (Code of Conduct)
- **BCP 78** (Copyright)
- **BCP 79** (Patents, Participation)

Reminder: IPR Process

• Polling of draft authors & contributors
  - Prior to moving to next step in WG process
    • e.g., before an individual draft becomes a WG document or a WG document goes to last call
  - Requires IPR compliance statement from all listed in draft
Reminder - Utilizing Mailing List

• We strongly encourage the mailing list to be more actively used for all Working Group discussions
  - Open issues
  - Introducing new drafts
  - Potential new Working Group topics

• Reminder – Working Group Consensus is determined on the mailing list

• Future meeting time will be scheduled relative to mailing list discussion
