ice-sip-sdp

IETF 101

Status Update

Reviews from Christer and Flemming. **Thank you**

Next Steps [In the order of Less work ---> more work]

    1. Remove Aggressive nomination references.

    2. Remove generic ICE related procedures. (focus on ice-sdp to larger extent)

    3. Simplify/Clarify Offer/Answer section. (Section 4 **rework** based on Christer's inputs)

Attempt to generate PR for review around last week of April
