Note Well

This is a reminder of IETF policies in effect on various topics such as patents or code of conduct. It is only meant to point you in the right direction. Exceptions may apply. The IETF's patent policy and the definition of an IETF "contribution" and "participation" are set forth in BCP 79; please read it carefully.

As a reminder:

- By participating in the IETF, you agree to follow IETF processes and policies.

- If you are aware that any IETF contribution is covered by patents or patent applications that are owned or controlled by you or your sponsor, you must disclose that fact, or not participate in the discussion.

- As a participant in or attendee to any IETF activity you acknowledge that written, audio, video, and photographic records of meetings may be made public.

- Personal information that you provide to IETF will be handled in accordance with the IETF Privacy Statement.

- As a participant or attendee, you agree to work respectfully with other participants; please contact the ombudsteam (https://www.ietf.org/contact/ombudsteam/) if you have questions or concerns about this.

Definitive information is in the documents listed below and other IETF BCPs. For advice, please talk to WG chairs or ADs:

- **BCP 9** (Internet Standards Process)

- **BCP 25** (Working Group processes)

- **BCP 25** (Anti-Harassment Procedures)

- **BCP 54** (Code of Conduct)

- **BCP 78** (Copyright)

- **BCP 79** (Patents, Participation)

- **https://www.ietf.org/privacy-policy/** (Privacy Policy)

Document Review Request

Document quality relies on reviews, please make an effort to review documents in your working group and at least one other document from another working group.

If you'd like documents you care about reviewed, put the effort in to review other documents.

Please!

Feedback to ADs

- How are we doing?

- How can we do things better?

- What's broken with the area?

- What's working with the area?

Agenda

PAT THALER
THANKS FOR ALL YOUR SUPPORT OF IETF

- IETF's IEEE Go-To person for everything!

- IEEE 802 – since 1985. Chairing and Executive Committee.

- IETF50 probably first IETF (iSCSI got her going to IETF)

- About 2012, helped form IETF/IEEE 802 Coordination Group which has been the foundation of our joint relationship.
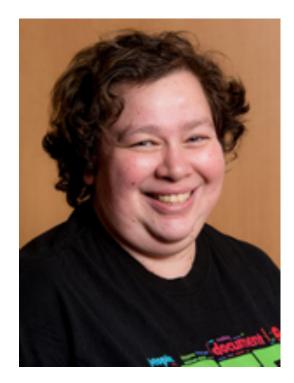

- Currently, Chairing DETNET WG.

I E T F®

GEORGE SWALLOW
THANKS FOR ALL YOUR SUPPORT OF IETF

- Chair of 1st MPLS Working Group Meeting (IETF38), Chair for more than 20+ Years

- More than 40 RFCs

- First RFC: RFC2105 (1997) on Cisco's Tag Switching

- Authored first RFC on RSVP Traffic Engineering (RFC 3209)

- Mentored many IETFers – participation, authoring, chairing, all aspects!

I E T F®

THANK YOU ALIA!!
