

Guidelines for Human Rights Protocol Considerations
Draft-irtf-hrpc-guidelines-01

Niels ten Oever
Gurshabad Grover (new)

Objectives

- Create a document for human rights guidelines (based on RFC 8280)
- Practice based
- Practice oriented

Changes

- Differentiated approaches:
 - The lens of the guidelines
 - The lens of the perceived impact
 - Expert interviews
 - Interviews with impacted persons and/or communities

Possible next steps

- Link to completed human rights reviews
- Reformulate questions?
- Outcome transparency, architecture, and power
- Environmental concerns?

Next steps

- Does this constitute an update to (parts of) RFC 8280
- How can we make this (more) useful for you ?
