# Changes Since IETF 102 & 103

- ▶ YANG doctor's review is done and changes are incorporated.
- ▶ Substantial editing to make the draft ready to WG LC.
- ▶ ietf-l1-service-types are aligned with ietf-otn-types for terms, etc.
- ▶ References are up to date.
- ▶ Special thanks to Tom Petch for providing comments to improve the model and the draft.

# Next Steps

- ▶ Ready for WG LC!

# Thank You!
