

JSContact

draft-stepanek-jscontact

IETF 104

rsto@fastmailteam.com

Goals

- JSON alternative to the VCARD data format
- unambiguous, extendable and simple to process
- start from VCARD, but no direct mapping

Status

- Initial draft submitted <https://tools.ietf.org/html/draft-stepanek-jscontact-00>
- Based on early JMAP draft. Expecting significant changes.
- Find workgroup for adoption: CALEXT?
