

Freedom of Association and Internet Infrastructure

draft-irtf-hrpc-association-02

Niels ten Oever – University of Amsterdam
Gisela Pérez de Acha – Derechos Digitales

Objective (for this doc):

Expand and deepen relationship between specific rights and protocols (from charter)

Non-Objectives (for this doc):

- Analyze specific protocols for HR impact
- Produce new guidelines

Overview of changes (-01 and -02)

Addressing two full reviews and co-chairs concerns

- a) Reworked abstract
- b) Added research design
- c) Improved framing of cases and their impacts
- d) Linked cases to guidelines in RFC8280
- e) Added discussion on establishing relation between right and protocols and architecture
- f) Added examples and concrete considerations
