IRTFOPEN

IETF 104

2019-03-25

Prague

Note Well

This is a reminder of IETF policies in effect on various topics such as patents or code of conduct. It is only meant to point you in the right direction. Exceptions may apply. The IETF's patent policy and the definition of an IETF "contribution" and "participation" are set forth in BCP 79; please read it carefully. The IRTF follows the IETF's policies.

As a reminder:

By participating in the IRTF, you agree to follow IETF processes and policies.

If you are aware that any IETF or IRTF contribution is covered by patents or patent applications that are owned or controlled by you or your sponsor, you must disclose that fact, or not participate in the discussion.

As a participant in or attendee to any IRTF activity you acknowledge that written, audio, video, and photographic records of meetings may be made public.

Personal information that you provide to IRTF will be handled in accordance with the IETF Privacy Statement.

As a participant or attendee, you agree to work respectfully with other participants; please contact the ombudsteam (<u>https://www.ietf.org/contact/ombudsteam/</u>) if you have questions or concerns about this.

Definitive information is in the documents listed below and other IETF BCPs. For advice, please talk to the RG Chairs or IRTF Chair:

BCP 9 (Internet Standards Process) BCP 25 (Working Group processes) BCP 25 (Anti-Harassment Procedures) BCP 54 (Code of Conduct) BCP 78 (Copyright) BCP 79 (Patents, Participation) https://www.ietf.org/privacy-policy/ (Privacy Policy)

Thanks IRTF folks, and thanks Prague

More Policy

- Because of the Applied Networking Research Prize, there is a lot of photography during the IRTFOPEN session.
- The IRTF follows the IETF statement on still photography consent
- Reminder to RG Chairs: don't forget your Note Wells (see email)

Mission

- The Internet Research Task Force focuses on longer term research issues related to the Internet while the parallel organization, the Internet Engineering Task Force, focuses on the shorter term issues of engineering and standards making
- Organized into Research Groups (parallel to but different to WGs)
- Organized with an Internet Research Steering Group consisting of the RG Chairs and a small number of At Large members
- NO standardization here documents from IRTF will be Experimental or Informational
