

PIM Null Register packing

<https://tools.ietf.org/html/draft-ietf-pim-null-register-packing-04>

Presenter: Stig Venaas

Updates-04:

- Added section on PIM RP router version downgrade

The section discusses the actions to perform when a RP router downgrades to a version that doesn't support the PIM register packing feature.

Draft status

- Draft presented in IETF-105 Montreal
- comment received on mailing list incorporated.
