

Status of draft-ietf-teas-rfc3272bis

- Adopted by TEAS at start of July
 - Silence since then – silence is not good
- -01 in early July to address open issue from adoption poll
 - Add scoping of “TE” versus “partial TE”
 - Policy
 - Path steering
 - Resource management
- Failing any input from the WG, the editor will take a pass on the whole document
 - -02 at the start of November
 - Editorials and text reduction to Section 2.4.1
 - -03 planned for “soon”
 - Further editorials working forward through the document
- The way forward
 - Either
 - Get some input (edits or text suggestions) from the working group
 - Or
 - Editor completes the document by Christmas and we last call it
