PASSporT divert,
Out-of-Band and Delegation
Update

IETF 110 (**Virtual**) STIR WG

May 2021

OOB, div, and delegation

- OOB and div are published!
  - RFC8816, RFC8946
- Delegation revised for IESG comments
  - Removed letting intermediate certs sign PASSporTs
    - EE certs required
- Other misc fixes
  - Hopefully this will ship soon
