Proceedings
Proceedings of the Applied Networking Research Workshop 2021 are available from the ACM Digital Library.

All session are recorded, and recordings will be made available on YouTube after the workshop.
Notes on Meetecho

• Presentation videos are pre-recorded, so we will take questions at the end of each presentation (5-min slot)

• Each session end with a 15-min panel for Q&A with all authors presenting in a session

• To ask a question, enter the queue (mic +hand logo), then the session chair will call you out and enable your audio!
