RFC Series Responsibility Change
draft-rosen-rfcedfp-update-2026-02

Abstract

In [I-D.iab-rfcedfp-rfced-model], responsibility for the RFC series moved to the RFC Series Working Group and the RFC Series Approval Board. It is no longer the responsibility of the RFC Editor and the role of the IAB in the RFC Series is altered. Accordingly, in RFC2026 Section 2.1, the sentence "RFC publication is the direct responsibility of the RFC Editor, under the general direction of the IAB" is deleted.

Status of This Memo

This Internet-Draft is submitted in full conformance with the provisions of BCP 78 and BCP 79.

Internet-Drafts are working documents of the Internet Engineering Task Force (IETF). Note that other groups may also distribute working documents as Internet-Drafts. The list of current Internet-Drafts is at <https://datatracker.ietf.org/drafts/current/>.

Internet-Drafts are draft documents valid for a maximum of six months and may be updated, replaced, or obsoleted by other documents at any time. It is inappropriate to use Internet-Drafts as reference material or to cite them other than as "work in progress."

This Internet-Draft will expire on 11 September 2022.
