Changes since draft-friel-acme-subdomains-05

• Adopted!

• Terminology additions: Included RFC 8499 “DNS Terminology” definitions

• Editorial Nits: fixed up minor changes recommended on mailer
Next Steps

- Reviewers please!
- Terminology alignment choice: RFC 8499 vs. CA/Browser definitions
- JSON field names:
  - CA/B aligned: “domainNamespace” vs.
  - RFC 8499 aligned: “subdomains” (previous term in earlier drafts)
