

Modifications to NomCom Process

Barry, John, Rich*

*Not the name of a folk group.

Three specific proposals

- Barry: advise NomCom to prefer not overly-long repeats
- John: "Treat a second term as the normal case; strongly discourage more than two consecutive terms in leadership roles without a break; alter Nomcom procedures to make those preferences more clear".
- Rich: Require a gap year
- All three are different, can't be reconciled
- What to do? Usual dispatch options.
