What NomCom needs from IETF community
Please respond to recent Call for Community Feedback

Provide Feedback by November 23

Please provide feedback on nominees via:
https://datatracker.ietf.org/nomcom/2021/feedback/

It is also possible to provide feedback not specific to any given nominee ("Topics" in the feedback page)
- Scope: Only that which could be useful for NomCom 2021 to fulfill its job

Help us reflect the community!

All this is subject to NomCom confidentiality (only seen by the NomCom 2021 members)
- Not a venue for public discussion

Thanks to All Nominees and to the "almost" Nominees

We have 30 Nominees

We have 32 nominations
- Hence, 32 interviews to conduct starting next week
- Note: 2 nominees are vying for 2 positions each

Huge thanks to the nominees!

Also wish to thank those who were nominated, considered acceptance but for some reason did not continue.
Please offer your service next time!
