Note Well

This is a reminder of IETF policies in effect on various topics such as patents or code of conduct. It is only meant to point you in the right direction. Exceptions may apply. The IETF's patent policy and the definition of an IETF "contribution" and "participation" are set forth in BCP 79; please read it carefully.

- **By participating in the IETF, you agree to follow IETF processes and policies**
- If you are aware that any IETF contribution is covered by patents or patent applications that are owned or controlled by you or your sponsor, you must disclose that fact, or not participate in the discussion
- As a participant in, or attendee to, any IETF activity you acknowledge that written, audio, video, and photographic records of meetings may be made public
- Personal information that you provide to IETF will be handled in accordance with the Privacy Policy.
- As a participant or attendee, you agree to work respectfully with other participants; please contact the ombudsteam if you have questions or concerns about this (<https://www.ietf.org/contact/ombudsteam/>)

Online Meeting Etiquette

- **The session is being recorded.**
- As a participant in, or attendee to, any IRTF activity you acknowledge that written, audio, video, and photographic records of meetings may be made public
- Please keep your audio muted and video off when not presenting/speaking.
- When speaking, please start by stating your name and any affiliation
