Guidelines for Human Rights Protocol and Architecture Considerations

draft-irtf-hrpc-guidelines

Gurshabad Grover and Niels ten Oever
HRPC @ IETF113

Objective

- Create a document for human rights guidelines (based on, and update to RFC8280)
- Practice based and practice-oriented

Changes from -10 to -12

- Moved from last call to IRTF Chair review

- Addressed feedback from IRTF chair review in January
  - Some changes in the structure
  - Reordering of sections so that related ones are together
  - Lots of smaller changes (see mailing list for details)

What's (perhaps) not changing

- Attribution section has been discussed a lot
