

JMAP Quotas

Draft-ietf-jmap-quotas-03

Rene Cordier <rcordier@linagora.com>

JMAP IETF113 meeting March 2022

Last changes

- Quota capability:
 - removing **quotalds** leaving the capability as an empty object
- Scope & resource type:
 - Removing the custom extension, just need a standard behavior here
- Resource type:
 - size → octets
- Limit:
 - Using a more generic definition
