General Purpose Extended Key Usage (KU) for Document Signing X.509 Certificates

draft-ito-documentsigning-eku-02

Tadahiko Ito, Sean Turner, Tomofumi Okubo

LAMPS@IETF113 — 20220325

Status: -02 out for WGLC

Comments to Date:

✓ Indicate criticality! Will make it optionally critical.

✓ Fix some editorial mistakes. Will do.

✓ (from the editors) Add acknowledgements.

Next Steps: Spin new version and get ready for those directorate reviews during IETF LC!
