JMAP Quotas

Draft-ietf-jmap-quotas-04

Rene Cordier <rcordier@linagora.com>
JMAP IETF-114 meeting July 2022
Last changes

- Soft limit (section 2):
  - Adding some concrete examples of the soft limit usage to make it clearer for users
- Example (section 2.5.1):
  - Fixed a missed change on the resourceType example: “size” → “octets”
- Security considerations:
  - Adding more content to the section with some warnings and advice on the quota server implementation
