● The IRTF follows the IETF Intellectual Property Rights (IPR) disclosure rules
● By participating in the IRTF, you agree to follow IRTF processes and policies:
  ○ If you are aware that any IRTF contribution is covered by patents or patent applications that are owned or controlled by you or your sponsor, you must disclose that fact, or not participate.
  ○ The IRTF expects that you file such IPR disclosures in a timely manner – in a period measured in days or weeks, not months.
  ○ The IRTF prefers that the most liberal licensing terms possible are made available for IRTF Stream documents – see RFC 5743
  ○ Definitive information is in RFC 5378 (Copyright) and RFC 8179 (Patents, Participation), substituting IRTF for IETF, and at https://irtf.org/policies/ipr
● As a participant in, or attendee to, any IRTF activity you acknowledge that written, audio, video, and photographic records of meetings may be made public.
● Personal information that you provide to IRTF will be handled in accordance with the Privacy Policy at https://www.ietf.org/privacy-policy/
● As a participant or attendee, you agree to work respectfully with other participants; please contact the ombudsteam (https://www.ietf.org/contact/ombudsteam/) if you have questions or concerns about this.
● See RFC 7154 (Code of Conduct) and RFC 7776 (Anti-Harassment Procedures), which also apply to the IRTF.
