IETF 115 Social Event

8 Nov 2022 - 8 Nov 2022

The IETF 115 social on Tuesday November 8, hosted by Cisco, will be at the Victoria and Albert Museum.

The Victoria & Albert Museum (V&A) is the world's leading museum of art and design, housing a permanent collection of over 2.8 million objects, books and archives that span over 5,000 years of human creativity. The museum holds many of the UK's national collections and houses some of the greatest resources for the study of architecture, furniture, fashion, textiles, photography, sculpture, painting, jewelry, glass, ceramics, book arts, Asian art and design, theatre and performance.

Guests will have the opportunity to dine and socialize within the Dome, and have access to the unique sculpture exhibits adjacent to it. In addition, Cisco has generously opened the all new Korean Hallyu exhibit for private viewing which offers an interactive K-Pop experience, and costumes from famous shows like Kingdom and Squid Games.

Delight your taste buds with a variety of food, alcoholic, and non-alcoholic beverages that will be served at the event.
