# Note Well

This is a reminder of IETF policies in effect on various topics such as patents or code of conduct. It is only meant to point you in the right direction. Exceptions may apply. The IETF's patent policy and the definition of an IETF "contribution" and "participation" are set forth in BCP 79; please read it carefully.

As a reminder:

- By participating in the IETF, you agree to follow IETF processes and policies.
- If you are aware that any IETF contribution is covered by patents or patent applications that are owned or controlled by you or your sponsor, you must disclose that fact, or not participate in the discussion.
- As a participant in or attendee to any IETF activity you acknowledge that written, audio, video, and photographic records of meetings may be made public.
- Personal information that you provide to IETF will be handled in accordance with the IETF Privacy Statement.
- As a participant or attendee, you agree to work respectfully with other participants; please contact the ombudsteam (<https://www.ietf.org/contact/ombudsteam/>) if you have questions or concerns about this.

Definitive information is in the documents listed below and other IETF BCPs. For advice, please talk to WG chairs or ADs:

- [BCP 9](#) (Internet Standards Process)
- [BCP 25](#) (Working Group processes)
- [BCP 25](#) (Anti-Harassment Procedures)
- [BCP 54](#) (Code of Conduct)

## IETF 115 project presentations

This repo is for IETF Hackathon participants to upload project presentations. For convenience, presentation templates are provided in [PPTX](#) and [HTML](#) formats, the latter of which can be viewed [online](#) if it is put in the [main branch](#). For the HTML format, a corresponding [pdf](#) is automatically generated from the HTML file by a [GitHub action](#) and put in the [pdfs-from-html branch](#).

The use of these templates is optional. If you do use one of these templates, please rename the file such that it clearly identifies your project, e.g., includes the name or acronym of your project. The contents of this repo will be used as the source for all project presentations at

## IETF 115 project presentations

This repo is for IETF Hackathon participants to upload project presentations. For convenience, presentation templates are provided in [PPTX](#) and [HTML](#) formats, the latter of which can be viewed [online](#) if it is put in the [main branch](#). For the HTML format, a corresponding [pdf](#) is automatically generated from the HTML file by a [GitHub action](#) and put in the [pdfs-from-html branch](#).

The use of these templates is optional. If you do use one of these templates, please rename the file such that it clearly identifies your project, e.g., includes the name or acronym of your project. The contents of this repo will be used as the source for all project presentations at the end of the Hackathon and remain as a reference after the Hackathon. Presenters are encouraged to run their own presentations using the screen sharing functionality in Meetecho. Alternatively, the Hackathon Chairs can share your presentation and advance slides for you. **For portability, please upload your presentation in PDF or HTML format.**

**You MUST be a [member](#) of the [IETF-Hackathon](#) GitHub org to add or update a presentation.**

To be added as a member, please be sure to:

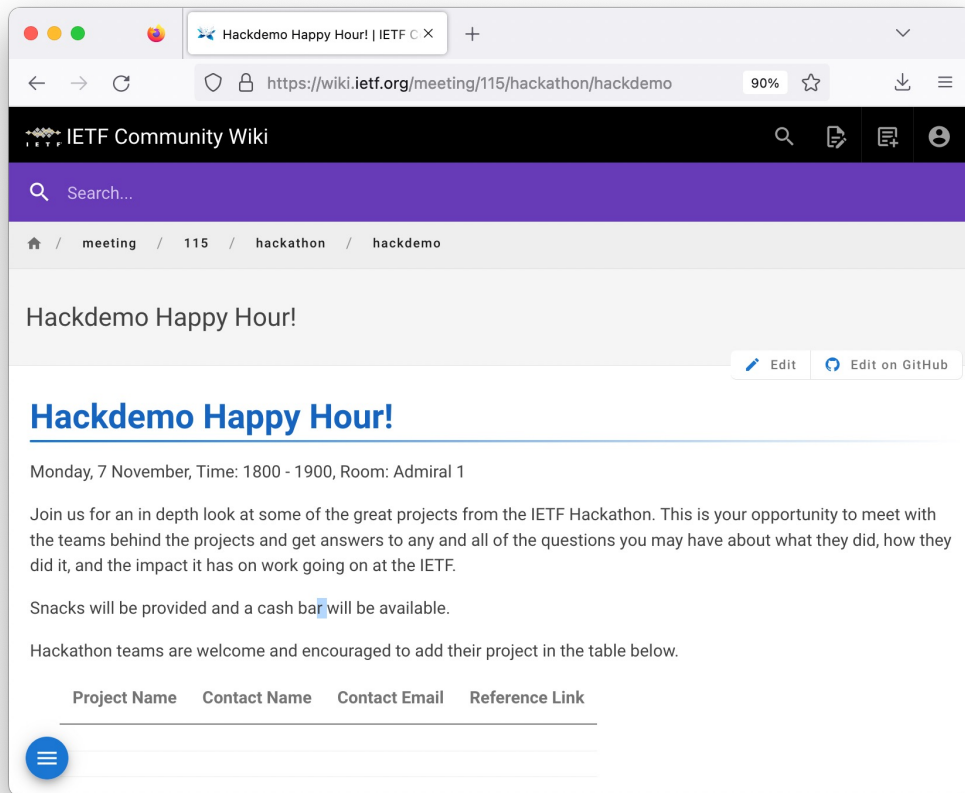

- include the [name](#) by which you are known as part of your in your GitHub profile
- enable two-factor authentication ([2FA](#))
- send your GitHub username to [hackathon-chairs@ietf.org](mailto:hackathon-chairs@ietf.org)

**DO NOT WAIT** until just before project presentations start or your request may be lost in the chaos.

For more info on the Hackathon, including the complete and most up to date agenda, please see the [Hackathon Wiki](#).

  - MUST REGISTER BY 12:00 MONDAY

# Code Lounge

- Admiral 1
- Space reserved in IETF lounge all week
- Collaborate on running code
- [Schedule](#) time for your team

The screenshot shows a web browser displaying the IETF Community Wiki page for the Hackathon Code Lounge. The page title is "Hackathon Code Lounge" and the URL is <https://wiki.ietf.org/meeting/115/hackathon/codelounge>. The page content includes a section titled "Code Lounge" with a subtitle "Monday - Friday, 7-11 November, Room: Admiral 1". It describes the purpose of the lounge and provides a schedule for sign-up slots. The schedule is presented in a table with columns for the days of the week and rows for time slots. The table indicates that the lounge is open from 08:00 to 18:00 on Monday through Thursday, and closed on Friday. The sign-up slots are labeled "L4S".

**Code Lounge**

Monday - Friday, 7-11 November, Room: Admiral 1

The Code Lounge provides a space for groups to informally meet to brainstorm, code, and test ideas. The area will be designated by signage.

You are encouraged to look at the final agenda and determine time slots best suited to ensure successful attendance of Code Lounge sessions as well as any traditional working group sessions. **It is okay for multiple groups to sign up for the same time slots. This is in fact encouraged for work that spans multiple working groups.**

Please sign up for a time slot below by entering your working group or Hackathon project acronym.
