Masking Policy

Masks must be worn in meeting rooms and are recommended for common areas but not required.

In meeting rooms, masks may briefly be removed for eating and drinking, but that cannot be an excuse to leave them off for long periods.

In meeting rooms, active speakers, defined as those who are at the front of the room presenting or speaking in the mic queue, can remove their mask while speaking.

No exemptions for mask wearing, medical or otherwise, will be allowed.

Masks must be equivalent to N95/FFP2 or better, and free masks will be provided.
