

IETF Chairs Training 2022

Topics (2 sessions each) overall NPS* 48

- Promoting contribution (NPS 0)
- Resolving conflict (NPS 58)
- Building consensus (NPS 80)

Participation

- 80 registrations
- 50 participants

On-demand classes soon

* Net Promoter Score

(roughly, NPS>0 is considered good, NPS>50 is considered excellent.)

Working Group wikis ⇨ wiki.ietf.org

All Working Group (and other Group) wikis are now on wiki.ietf.org:

- form of <https://wiki.ietf.org/group/<GROUPNAME>>
- links in Datatracker active groups have been updated

All updates now should be made on wiki.ietf.org

Status and next steps for Trac wikis:

- static archives are now created (i.e. content captured as of 20 March 2023)
- archives will be accessible on request but not generally available (to avoid confusion)
- Trac instances will be moved offline shortly after IETF 116
