# Postcard-based On-Path Telemetry using Packet Marking (PBT-M)

Haoyu Song

draft-song-ippm-postcard-based-telemetry-15

Technology classification

Common Issues to be covered

- Flow Path Discovery
- Postcard Data Correlation
- Control Plane Configuration
- Data Export Method
- Security

- Key supporting use cases:
  - SRv6 OAM O-flag (RFC9259)
  - MPLS MNA P-flag (draft-song-mpls-flag-based-opt)
- Request for WG adoption
