Use of the RSA-KEM Algorithm in the Cryptographic Message Syntax (CMS)

draft-housley-lamps-rfc5990bis-00

Sean Turner, Russ Housley

LAMPS@IETF116 - 20230329

Why do we need this:	Alignment with KEMRecipientInfo in draft-ietf-lamps-cms-kemri.
Outstanding Question:	Mike O. are you okay with Russ's proposal for kema-rsa-kem? See email.
Interoperability:	Forthcomething -01 version with an Appendix for test vectors was able to be verified with Bouncy Castle.
