

MLS PROTOCOL

draft-ietf-mls-protocol-~~17~~~~18~~~~19~~20

Richard Barnes, Raphael Robert,
Benjamin Beurdouche

IESG EVALUATION AND ITS CONSEQUENCES

- draft-17** IESG evaluation => Some DISCUSS positions
- draft-18** IESG DISCUSS resolutions
GREASE
Minor consistency fixes found in interop testing
- draft-19** Nits Brendan found in draft-18 changes
- draft-20** Ambiguities found in interop testing

INTEROP!

Six independent implementations participating

-  **Full interop between MLSpp and Wickr!** 
- **Test vectors** covering deterministic parts of the protocol
 - **Live test scripts** to cover the rest
 - "Shallow tests" - Minimal scenarios that cover all functionality
 - "Deep tests" - 100 random commits to explore more complex cases
