- **If you are aware that any IETF contribution is covered by patents or patent applications that are owned or controlled by you or your sponsor, you must disclose that fact, or not participate in the discussion.**
- **As a participant in or attendee to any IETF activity you acknowledge that written, audio, video, and photographic records of meetings may be made public.**
- **Personal information that you provide to IETF will be handled in accordance with the IETF Privacy Statement.**
- **As a participant or attendee, you agree to work respectfully with other participants; please contact the ombudsteam (<https://www.ietf.org/contact/ombudsteam/>) if you have questions or concerns about this.**

- Individuals are prepared to contribute to the ongoing work of the group.
