IETF 117 Social Event

25 Jul 2023 - 25 Jul 2023

The IETF 117 social on Tuesday July 25th, hosted by NOKIA, will be at the San Francisco Museum of Modern Art (MoMA)

The SF MoMA is an internationally recognized collection of modern and contemporary art. Social event tickets will include access to the Atrium, Schwab Hall and adjoining second floor galleries which includes their extensive collection of art from 1900 to now. This collection includes masterworks and experimental pieces from SFMOMA’s collection of painting and sculpture, and explores themes that have shaped the history of modern art from the early twentieth century to our own time. There will be a wide array of food and beverages to suit all tastes and will include vegetarian and vegan options.

Transportation will not be provided as the venue is a short 15 minute walk from the headquarter hotel (Hilton Union Square). There is no food and beverage in the galleries and all galleries will close at 22:00.

Tickets can be purchased via your attendee dashboard. Based on feedback we’ve received we are conducting an experiment by releasing social tickets in batches. We highly recommend that you secure a social ticket as soon as possible, however the experiment is intended to allow for those who register at a later date to have the opportunity to secure one as well. Additional information is below.

- Date: Tuesday, July 25
- Start/End Times: 19:00 – 22:30pm (Galleries close at 22:00)
- Cost per ticket: $30 per ticket, limit of two tickets per attendee.
- Children allowed for free under 12
