Kids Welcome!

Childcare is planned to be provided
at all 2023 IETF meetings
(and likely beyond)

We hope you plan to use this service!

"My favorite part of the daycare is that I made new friends and having cookies."

-Child, age 8

The caregivers are kind and easy to work with. They also understood that I ran late yesterday as I was chairing a session. It's a wonderful resource and my son was thrilled a similarly aged child attended this week (7&8).

"I really liked playing with the other friends and coloring"

-Child, age 3

"My favorite part of the daycare has been playing Monopoly. I learned to make lanyards and the space theme was so fun."

-Child, age 7

"...Without these services I would not have been able to participate in the IETF..."

"...During these years, my status as a single parent has complicated my ability to sustain my direct involvement... Feeling the compassion and warmth they showed my little one is what has allowed me to focus and remain engaged this week..."
