

RIFT Auto-EVPN

draft-ietf-rift-auto-evpn-04

IETF 117

San Francisco

Jordan Head (presenting)

Tony Przygienda

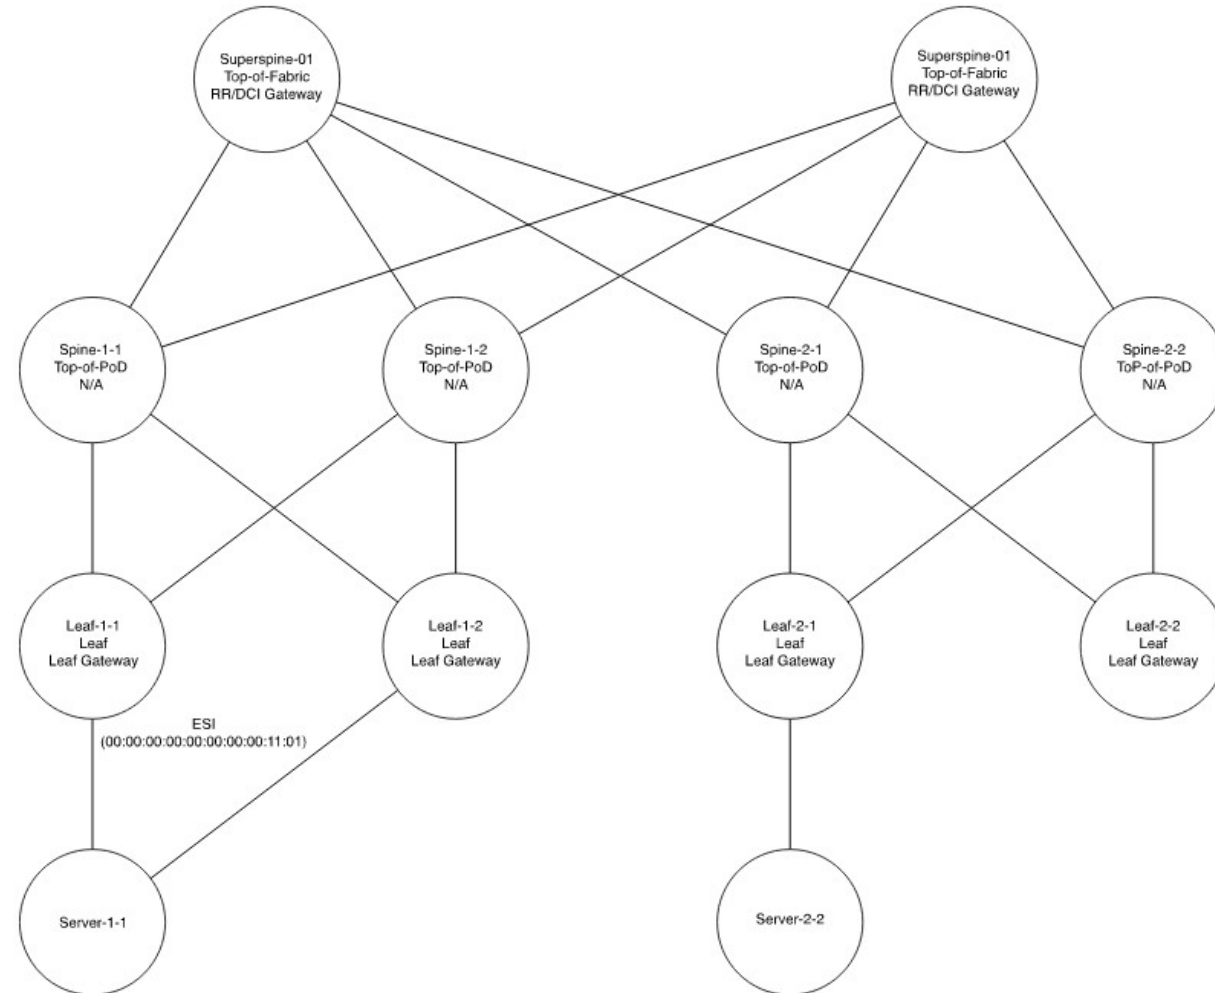

Wen Lin

What's new in version 4?

- **Updated Illustrations**

- Minor topological changes to existing underlay and overlay ASCII illustrations.

- Added SVGs for both.

What's new in version 4?

- **YANG Placeholder**

- Added a section in the appendix for an Auto-EVPN YANG model.

- **Editorial Stuff**

- Fixed a couple spelling mistakes.
- Reference updates.

What's next?

- **Completed YANG Model**

Thanks
