**IETF 118  
November 8th, 2023  
Prague**

# Status & Next Steps

- Result of WGLC:
  - Retaining the UCCS scope of the document, but adding the notion:  
"Similar considerations apply to JSON Web Token (JWT, RFC7519) and JOSE."
  - Will add a complementary Appendix (incl. CDDL) on how to apply the same principle to JWT Claims Sets
    - PR for UCCS in progress (done either by Laurence or Carsten)
    - Complementary PR on EAT by Carsten: <https://github.com/ietf-rats-wg/eat/pull/431>
