

# JOSE/COSE Guidance

# Status

- Presentation at IETF#118 and interest in the work.
  - New Co-Authors: Yaron, Filip
- Call for adoption on the list
  - Positive feedback but also questions about the scope.
- Created new repo: <https://github.com/yaronf/JOSE-COSE-Guidance>
- Scheduled conference call to progress the work
  - Resulted in new open issues:  
<https://github.com/yaronf/JOSE-COSE-Guidance/issues>
- Planning to update the draft in the next few months
  - Will come back to the group to get it adopted.
