

draft-ietf-suit-mud-08

ietf 119

Brendan Moran

Changes since v07

- Editorial changes & clarifications
- Incorporated some DISCUSS changes
- More terms defined as imported from other RFCs
- No substantial changes since v07

Status

- Pending updates on DISCUSS items
 - Clarification on threat model (attacks against the MUD manager)
 - Clarification on value of coupling MUD URI to SUIT
 - Updates to URI tied to updates to firmware
- Should suit-report contain MUD URI (IRI)?
