

IPv6 CE Routers

IETF 120 (v6ops)

draft-winters-v6ops-rfc7084bis

7084bis

RFC 7084bis-03

- Updated to BCP
- WAA-7: Added text for NTP servers to be relayed from the WAN to LAN.
- Added L-17: SHOULD support RFC9131
- Added text S-2 that INGRESS filtering should be enabled by default but users should be to turn it off.
