

CDNI Capacity Capability Advertisement Extensions

Sanjay Mishra

IETF 121, Dublin, Ireland

8th November, 2024

CDNI Capacity Insights Extensions

- [v10](#) published on Oct 23rd. Addresses all comments submitted during the IESG review
- Awaiting outcome/comments from the IESG Telechat review scheduled for Thursday, Nov. 21, 2024
- Comments recently submitted to add a new “capacity limit types: ingress” is outside of the objectives defined in the I-D. Best course is to submit a new draft
