

I A B

IAB Open Meeting

Tommy Pauly & Matthew Bocci

IETF 121, November 2024, Dublin

Note Well

- This is a reminder of IETF policies in effect on various topics such as patents or code of conduct. It is only meant to point you in the right direction. Exceptions may apply. The IETF's patent policy and the definition of an IETF "contribution" and "participation" are set forth in BCP 79; please read it carefully.
- As a reminder:
 - By participating in the IETF, you agree to follow IETF processes and policies.
 - If you are aware that any IETF contribution is covered by patents or patent applications that are owned or controlled by you or your sponsor, you must disclose that fact, or not participate in the discussion.
 - As a participant in or attendee to any IETF activity you acknowledge that written, audio, video, and photographic records of meetings may be made public.
 - Personal information that you provide to IETF will be handled in accordance with the IETF Privacy Statement.
 - As a participant or attendee, you agree to work respectfully with other participants; please contact the ombudsteam if you have questions or concerns about this.
- Definitive information is in the documents listed below and other IETF BCPs.
For advice, please talk to WG chairs or ADs:
 - BCP 9 (Internet Standards Process)
 - BCP 25 (Working Group processes)
 - BCP 25 (Anti-Harassment Procedures)
 - BCP 54 (Code of Conduct)
 - BCP 78 (Copyright)
 - BCP 79 (Patents, Participation)

IAB Role in Shepherding New Work

BoF Support

BoF Shepherd

IAB members can act as BoF shepherds, providing architectural and other guidance, when requested by IESG

Covering a BoF

IAB members may “cover” a BoF, and provide an evaluation report to the IESG and IAB. Primarily to identify any architectural concerns.

Reviewing BoF Charters

IAB members can review BoF charters and provide feedback to the IESG and BoF proponents.

New work help desk

IAB members ran a ‘new work help desk’ during IETF 120 to discuss developing new work in the IETF.

New work help desk at IETF121, Tuesday 15:00 - 16:30 (see next slide)

Does the community find this useful?

Is there anything else the community would like the IAB to do to help shepherd new work?

IAB New Work “Help Desk” (Tuesday)

- The IAB offers a "help desk" as an experiment to support people that want to bring new work to the IETF:
- Bring questions around formal process, tooling, or also technical discussion as far as possible!
- Get help to connect you to the right experts!
- The "help desk" will be in the registration area (Ground Floor):

Tuesday, 15:00-16:30

- Just come by with your questions on new work!
- Or of course you can also send an email to iab@iab.org or any individual IAB member!

Technical Programs

E-IMPACT e-impact@ietf.org

Met at IETF 120 to discuss topics including:

- Climate resiliency for the Internet
- Mapping energy savings to GHG emission reductions
- Heuristics for turning off links
- Evaluating the role of capacity upgrades and utilization

Metrics work discussed in e-impact has been homed in the newly created green WG in the OPS area

- Proposal to create sustainability related research group (SUSTAIN RG)

Side meeting on Wednesday at 14:30-15:30 to discuss proposed charter EDM

Technical Programs

EDM edm@iab.org

Not meeting at IETF 121, will hold a virtual interim call afterwards

Continuing work on greasing guidance document, preparing for adoption onto the IAB stream
