2024 Itojun Service Award

Itojun Service Award

- Named after Dr. Jun-ichiro “Itojun” Hagino, who passed away in 2007, aged just 37
- Itojun worked as:
 - Senior Researcher at Internet Initiative Japan Inc. (IIJ)
 - Member of the board of the Widely Integrated Distributed Environment (WIDE) project
 - Served the KAME project in Japan as the “IPv6 samurai”.
 - Member of the Internet Architecture Board (IAB) from 2003 to 2005
- Launched in 2008 to provide recognition and support for those progressing IPv6 development on the Internet.
