CHILDCARE

12 CHILDREN JOINED!
A NEW RECORD

The service has been amazing, and we LOVE rose event nannies! Their attentiveness and enthusiasm were evident, making it clear that they were not just caregivers, but true champions for creating a nurturing environment.

"My favorite part of the daycare is that I made new friends and having cookies."

-Child, age 8

"I liked dressing up as a doctor and astronaut."

-Child, age 5

"We have really enjoyed having a safe and welcoming space for our children to be in during the hectic IETF week."

While in a morning meeting, my child was watching the clock for the minute the childcare opened, He's having a great time and is glad there are a few other older children. The multi-cultural exposure is awesome, he's brushing up on his Spanish!

"...During these years, my status as a single parent has complicated my ability to sustain my direct involvement... Feeling the compassion and warmth they showed my little one is what has allowed me to focus and remain engaged this week..."
