# draft-ietf-avtcore-hevc-webrtc

- Bernard Aboba was the driving force behind this
  - Welcome Jianlin Qui as co author!
- All previous open issues resolved
  - Done in [PR #33](#)
- WebRTC/HEVC supported shipped in browsers
  - [Chrome 136](#) (hardware-only), [Safari 18](#)
  - RPSI not implemented ([#17](#))
- Let's finish this?
  - one [new issue](#) with nits in the introduction
