

Deadline based Forwarding

draft-ietf-detnet-deadline-based-forwarding-00

Shaofu Peng	ZTE
Zongpeng Du	China Mobile
Kashinath Basu	Oxford Brookes University
Zuopin Cheng	Zhejiang P&T College
Dong Yang	Beijing Jiaotong University
Chang Liu	China Unicom

Updates

- Update title from draft-peng-detnet-deadline-based-forwarding-18 to draft-ietf-detnet-deadline-based-forwarding-00.

Open Issues

Issues during adoption call:

- Add the definition of the abbreviation such as Earliest Deadline First (EDF).
- Clarify that the solution scope, whether covering option 1/2/3/4 or just option 3/4.

Next step

- The authors will address the issues in the next version, and make the document content clearer and concise, and focus on the optimal solution.
- Any questions/comments ?

Thank you!
