Before the templates - for your information

- *Strict time requirement:*
  - ***5 mins (max 5 slides)** for explaining the proposal, after presentation there will be 10 mins for the collecting the community feedback and Chairs summary*

- *Please have your **draft slides** ready **2 weeks** before the meeting to leave Chairs enough time to review and provide feedback*

- *Please have the **final slides** ready **1 week** before the meeting for the community to get familiar before the meeting*

- *Please follow the "**Preparing your slides**" guidance in the secdispatch wiki, https://wiki.ietf.org/group/secdispatch*

Please delete this slide, information only

IETF

Motivation

Try to tell clearly the community why this work and why it is important.

1 slide only

Background

*Please provide **just enough** information for the community to understand the work and the issues you are focusing on*

Please include

- *pointers to a draft(s)*
- *pointers to ongoing/prior discussions*
- *pointers to implementations*
- *pointers to any other background materials*
- *summarizing prior engagement with existing WGs*
- *summarizing who would want to advance this work*

maximum 3 slides

IETF

Hoped dispatching outcome

Please choose from the followings

- *Direct the work to an existing WG*
- *Propose a new focused WG*
- *Recommendation to hold a full BOF*
- *Publish as AD-sponsored (assuming AD is willing)*
- *Additional discussion or community development required (e.g., with a new non-WG mailing list)*

1 slide only
